

Aug 19, 2018

The senior pastor search committee met on Aug. 9 to fine-tune questions for a congregation-wide survey of members' concerns and expectations. Everyone will have opportunities to make their feelings known. In addition to some open meetings after services, the committee hopes to make use of existing groups within First Protestant (Bible study groups, Sunday School classes, older youth, groups from our music ministry, etc.). Please plan to share your thoughts with the committee in whatever way best suits you, and continue to keep our Church in your daily prayers.
