Since we last spoke:

The discipleship schools that run from February to August were joyfully graduated and released back to their home countries (and beyond). Mayce was part of her first "staff training weeks" as part of the leadership team, which included her teaching on topics such as "Spending Time With God" and "How to Facilitate a Small Group." (She also had the opportunity to use her university degree in a more obvious way, by teaching on "Social Media and Marketing." for the cafe internship that our center runs). The Pathfinders discipleship training school that Mathias is leading, officially began this past Wednesday!!!...For more info on our work, check out the back of the prayer sheet!

Wink and Glyn Kelso: We will be in Dallas for several days spending time with Rosie, her brother James and their parents. We pray for an anointed time with her and the family. Thank you for your continued prayers for her healing! We leave Sept. 14th to minister in Ohio at a convocation for 100 churches. Please pray for favor as we lead two workshops and develop relationships with new churches. Glyn will be speaking at a Women's Retreat in early October. Pray for anointing, wisdom and revelation. Please pray for new and creative ways to impact the lives of missionaries and local churches in the US.

The latest mission trip to D.O.N.E. Senegal, got home on July 10th. Our team spent nine days "in country" and other than the unusually blistering hot weather, all on the team came away thinking that God had blessed us and the ministry. For a list of the ministries involved, check out the back of the prayer sheet next week! Thank you for your support!
