About First Protestant Church

We are the first church in Comal County and we celebrate God's blessings since 1845. Our mission is simple...it is the mission the Lord Jesus Christ gave us in His Great Commission: make disciples of all the nations (Matthew 28:18-20). God is using us to make an impact on New Braunfels and points around the world. We invite you to come and be part of it. Come grow in your faith and become a disciple of Jesus.

Though we have a long and rich history, we look forward to the future. We offer not only a traditional worship service with sanctuary and handbell choirs, organ, and liturgy in our beautiful stain-glassed sanctuary, but also a contemporary service called "The River" featuring the River's Edge Band performing today. This Service meets in our fellowship hall adjacent to our beautiful courtyard.

There is a place here for you. We are more than a friendly church, but a church where you can find friends. Most importantly, this is a place where you can find God and grow in grace.

Our current ministry programs involve helping the members of our congregation to more effectively promote the Word of God and the ministry of Jesus Christ. All of our ministries hold to our mission of Seeking God, Sharing His Love, & Service Others.

First Protestant's comprehensive ministry attracts people of all ages and backgrounds. Our services are open to all who seek the Lord, whether adult, youth, or child.

Our members enjoy the opportunity to congregate with others who share their faith, to spend time developing relationships, and to learn how to continue in their walk with God. Small group studies, fellowship gatherings, and mission trips provide opportunities for outreach and service to the community and the world. We invite you to visit with us and experience what God has been doing through First Protestant Church for 176 years.
